The tour will consist of an initial briefing regarding the Provincial Supply Chain and Logistics Coordination Alliance detailing how Ontario is organized for the provision of strategic human and material resources during large scale emergencies, followed by questions if any regarding the briefing. A walking tour and explanation of the complex and its sections/responsibilities will follow the briefing. EMO is structured on the Incident Management System (IMS) and the complex known as the Provincial Emergency Operations Centre (PEOC) is organized accordingly.

Attendance at this PDM, counts as one point towards certification maintenance.
